Yesod

by [MiaQc](#)

Summary

A short crossover between Symphogear, Library of Ruina and Lobotomy Corporation. A potential concept for a bigger story. Takes place after Symphogear XV.

Since a silvery stone, similar to a Relic, appeared on my flesh, on my upper chest, I have mysterious dreams.

- A translation of [Yesod \(VF\)](#) by [MiaQc](#)

The floor is crumbling.

The Library is about to collapse.

I see his body tilt towards the void.

I run and grab his hand.

The purple-haired man, whose body hangs in the emptiness, looks at me with his yellow eye visible. The other is hidden by his hair, which is longer in his front's one side.

"Tsubasa." He whispers. I blush.

"Why are you doing this?" He then asks, raising his voice. "I am not human."

"It doesn't matter! I've got you, I won't let you go."

The man says my name again and then the ground is shaken.

My body moves with the shock, and I let go of his hand.

The man falls into the abyss.

"YESODDDDDDDDDDDDDDD!"

I wake up. *Another strange nightmare.* Since a silvery stone, similar to a Relic, appeared on my flesh, on my upper chest, I have mysterious dreams. Hibiki, Maria, Chris, Kirika, Shirabe and Miku also have one. If Serena and Kanade were still alive, they would have one too.

"Yesod..." I whispered, thinking. "That's his name. Yesod."

Suddenly, I feel my chest become warmer. I look under my pajamas and the silvery stone lights up for a moment and then becomes dull again. *Huh?* I tell Yesod's name again. The stone lights up again for a moment. *I need to tell others about this and quickly!* Strangely, the Tsubasa in my dreams seems to be in love with Yesod, and I am aware of it.

At the Library, Yesod is still working hard, then he covers his visible

eye with his hand. Something has just flashed through his mind, causing him discomfort. The blurred face of a young woman with blue hair. This isn't the first time he's seen this apparition.

"Who are you? Why are you tormenting me like this?" He says out loud, even though he knows full well he won't get an answer.

Indeed, no one answers him. Yesod sighs and goes back to work.
